CAROLINA BEACH

This is the kind of resort which offers every-
thing dear to the hearts of the vacationist; a
bathing strand which stretches into the dis-
tant haze; spacious hotels, large guest houses
and cottages, and hundreds of private homes.
It is a haven to the young high school and
college crowd. With two long piers jutting
out to the very breeding grounds of the game
sea denizens, it is "fishing home" to countless
thousands of sportsmen all over the South.

Objection has been raised to the "artist's conception"
of the mid-west appearance of the buildings on the right
of the picture which are certainly not right. We have
had our local photographer take a couple of snap shots
which should give you a better idea of what we will have
to have and you can readily see how this perspective
should be to give the desired results.
